1

MSM

An organic form of sulphur that is known to be a potent anti-inflammatory & antioxidant for joints & cartilage. Also helps with pain relief.

2

Glucosamine Sulfate

A world-renowned, joint-care supplement that may lubricate & repair joint cartilage. Eases pain & inflammation.

3

Chondroitin Sulfate

Made of cartilage, chondroitin sulphate is a great joint building block & helps build up new cartilage in the joints.

4

Calcium

Calcium may help the bone structure and make bones stronger especially in working or older dogs.

5

Magnesium

Assists with the absorption of other actives & ingredients. Also helps with blood clotting & blood pressure.

6

Yucca Root

Yucca Root powder may assist in reducing swelling & pain in damaged joints.
