

In loving memory of Vonne Vladislavic, June 2022.

inflameze

B. serrata • Menthal • H. virginia

A powerful anti-inflammatory cooling gel formulated with effective topical botanical herbs to ease painful joints, tendons and muscles. May be used before, during or after events.

1

Boswellia serrata Extract

Extracted from gum-resin of the Boswellia serrata plant, boswellia acid is known to inhibit the 5-lipoxygenase enzyme that causes inflammation.

2

Horse Chestnut Extract

Horse Chestnut Extract helps soothe swollen veins and can thus reduce inflammation and pain.

3

Witch Hazel Extract

Typically, witch hazel extract helps soothe skin, reduce redness & swelling. It is also effective as an anti-itch relief.

4

Aloe Vera Extract

Aloe vera is quickly absorbed through the skin & helps moisturise dry, swollen & inflamed skin. It also has a natural cooling effect to help relieve inflammation.

5

Camphor Oil

Camphor tree extract contains a natural cooling effect to relieve redness, swollen tendons & inflamed muscles.

6

Eucalyptus Oil

Naturally cooling & soothing, eucalyptus oil is also aromatically pleasant & can help mask bad smells & odours.

Composition

Aqua (Water), Propylene Glycol, Carbomer, Glycerin, Boswellia Serrata Extract 1%, Horse Chestnut Extract 0.6%, Witch Hazel Extract 0.6%, Aloe Vera Leaf Extract 0.5%, Camphor Oil 0.5%, Eucalyptus Oil 0.4%, Arnica Oil 0.4%, Triethanolamine, Diazolidinyl Urea, Phenoxyethanol. Ethylhexylglycerin.
