

itch-eeze

German Chamomile • Buchu Oil • Neem Oil

Dogs

Horses

1

Aloe Vera Extract

Aloe vera is anti-inflammatory & soothes itchy skin. Its antimicrobial properties also protect against infection on rashed skin.

2

Buchu Essential Oil

This native, unique & super South-African plant works wonders in many ways. It provides immediate relief to itchy skin, is anti-bacterial & anti-inflammatory and has an anti-fungal action for sweaty skin.

3

German Chamomile Essential Oil

Having anti-inflammatory & anti-histaminic properties makes German chamomile a must have in any topical skin cream. Also assists in relieving atopic dermatitis.

4

Neem Oil

A very good moisturising carrier oil that puts back moisture in dry skin & keeps skin supple & soft, while preventing dry, itchy & flaking skin. It also feeds the hair follicle for longer hair growth.

5

Lavender Essential Oil

Lavender essential oil has a potent anti-fungal action & is ideal for sport animals that work & train in rough terrains. It also assists in skin moisturising.

Itch-eeze is a white cream formulated to relieve & moisturise itchy and dry skin caused by insect bites, chafing and other dry skin conditions by using powerful moisturising, soothing oils and extracts including Aloe Vera, Buchu Oil, German Chamomile, Neem Oil, Lavender Oil & Tea Tree Oil.

Active Ingredients per gram:

Purified Water, Grapeseed Oil, Cetearyl Alcohol + PEG20 Stearate, Beeswax, Glycerine, Jojoba Oil, Phenoxyethanol, BHT, Refined Coconut Oil, Aloe Vera Gel, Neem Oil, German Chamomile Essential Oil 0.3%, Lavender Essential Oil 0.3%, Buchu Essential Oil 0.2%.

Directions for use:

Make sure the skin is clean and free of dirt or oils. Massage Itch-eeze gently into the affected area where a rash, heatspot, dry or flaky skin is present.

May be applied 4 times a day. Avoid putting on open wounds, scabs and infected skin.

Warnings:

- Avoid contact with open wounds, eyes or mucous membranes. Consult a veterinarian if injuries are severe.
- In the event of excessive skin irritation, rinse off Itch-eeze with clean water and discontinue use.
- Keep out of reach of children and uninformed persons.
- This remedy has been tested under a wide variety of conditions, its failure may be a result of a wide range of reasons. If this happens, seek advice & contact the registration holder.
- This remedy has not been evaluated or registered.
- Not for use in cats and other felines.

Storage:

- Store in a cool, dry place.
- Avoid direct sunlight.
- Store in an airtight container.
- Keep container tightly closed.
