

# MaxiFlora

L-Glutamine • E. faecium • MOS & FOS

Dogs

Cats

1

## Enterococcus faecium

A very effective probiotic used to treat most digestive issues & restore beneficial microflora in the digestive tract.

2

## MOS

Mannan-oligosaccharides acts as a prebiotic & a food source for beneficial probiotics in the digestive tract. Contains powerful beta glucans that boost immunity & activate white blood cells.

3

## FOS

Fructo-oligosaccharides is a plant-originating prebiotic & is a food source for probiotics to grow & multiply in the digestive tract. Contains minerals that assist digestion.

4

## Zinc AAC

Helps transport probiotics throughout the body to the intestines where they can grow & increase in colony forming units.

5

## L-Glutamine

Effective amino acid that helps to treat gastrointestinal damage & helps the digestive tract to recover after inflammation or sickness.

6

## Kaolin

A natural clay that helps absorb toxins & excess moisture in the digestive tract. Helps with firm stools & healthy digestion.

Flavourant Free • Colourant Free • Sucrose Free

MaxiFlora
