

# MaxiMulti RAW

Vitamins • Taurine • L-Carnitine

Dogs

Cats

1

### Vitamins

Precision blended vitamins to assist where raw feeding might need additional vital vitamins.

2

### Trace Elements

Needed in small volumes, but still crucial for ultimate health benefit. Specially formulated for raw feeding.

3

### Minerals

Important as main contributors of nutrient absorption into the body & cells for cellular function. Helps to keep bones & cells strong & healthy. Balanced out for raw feeding.

4

### Amino Acids

Raw feeding contains a lot more naturally occurring amino acids, thus only those needed at extra levels are included in MaxiMulti RAW.

**A proprietary blend of vitamins, minerals and trace elements to support the immune system whilst assisting with overall health and longevity. Specially formulated to meet daily intake requirements for pets being fed a raw diet.**

### Vitamins:

Vitamin A, Vitamin C, Vitamin B1, Vitamin B6, Pantothenic Acid, Vitamin B12, Vitamin D3, Vitamin E, Vitamin B2, Niacin, Vitamin B9, Choline Chloride
